Glounthaune to Midleton Twin Tracking Project

26 July - 16 August 2022

Iarnród Éireann plans to upgrade the existing rail line between Glounthaune and Midleton to enhance commuter services to and from Cork City.

This project is part of a wider programme of works that will facilitate:

More trains – from 2 to 6 per hour per direction

Better connectivity

Enhanced frequency and reliability

Improved passenger capacity

Shorter wait times
