Re: FOI request IE\_FOI\_571

Dear [Redacted]

I refer to your request dated 10<sup>th</sup> April 2022 made under the Freedom of Information Act 2014, which was received on by my office on the 11<sup>th</sup> April 2022, for records held by Iarnród Éireann.

**Request:**

- 1 - In the past five years how many PTI incidents have occurred on the:
  - class 2600 trains (and please attach a list of all such incidents including the date and station name and platform number that it occurred at).
  - class 2800 trains (and please attach a list of all such incidents including the date and station name and platform number that it occurred at).
  - class 3000 trains (and please attach a list of all such incidents including the date and station name and platform number that it occurred at).
  - class 8100 trains (and please attach a list of all such incidents including the date and station name and platform number that it occurred at).
  - class 8500/8510/8520 trains (and please attach a list of all such incidents including the date and station name and platform number that it occurred at).
  - class 22000 trains (and please attach a list of all such incidents including the date and station name and platform number that it occurred at).
  - class 29000 trains (and please attach a list of all such incidents including the date and station name and platform number that it occurred at).
  - the class CAF MK4 Cork Sets trains (and please attach a list of all such incidents including the date and station name and platform number that it occurred at).
  - class De Dietrich Enterprise Sets trains (and please attach a list of all such incidents including the date and station name and platform number that it occurred at).
  
- 2 - In the past five years how many wrong side door releases (this is when the doors are released on the side away from the platform instead of on the side that the platform is on) have occurred on the:
  - class 2600 trains (and please attach a list of all such incidents including the date and station name and platform number that it occurred at).
  - class 2800 trains (and please attach a list of all such incidents including the date and station name and platform number that it occurred at).
  - class 3000 trains (and please attach a list of all such incidents including the date and station name and platform number that it occurred at).

- class 8100 trains (and please attach a list of all such incidents including the date and station name and platform number that it occurred at).
  - class 8500/8510/8520 trains (and please attach a list of all such incidents including the date and station name and platform number that it occurred at).
  - class 22000 trains (and please attach a list of all such incidents including the date and station name and platform number that it occurred at).
  - class 29000 trains (and please attach a list of all such incidents including the date and station name and platform number that it occurred at).
  - class CAF MK4 Cork Sets trains (and please attach a list of all such incidents including the date and station name and platform number that it occurred at).
  - class De Dietrich Enterprise Sets trains (and please attach a list of all such incidents including the date and station name and platform number that it occurred at).
- 3 - In the past five years how many right side but off platform door releases (this is when the doors are released on the right side but not all of the carriages that are released are on the platform and can be caused by the train stopping short at the wrong positions on the platform and all the doors still being released or many other reasons) have occurred on the:
- class 2600 trains (and please attach a list of all such incidents including the date and station name and platform number that it occurred at).
  - class 2800 trains (and please attach a list of all such incidents including the date and station name and platform number that it occurred at).
  - class 3000 trains (and please attach a list of all such incidents including the date and station name and platform number that it occurred at).
  - the class 8100 trains (and please attach a list of all such incidents including the date and station name and platform number that it occurred at).
  - Class 8500/8510/8520 trains (and please attach a list of all such incidents including the date and station name and platform number that it occurred at).
  - class 22000 trains (and please attach a list of all such incidents including the date and station name and platform number that it occurred at).
  - class 29000 trains (and please attach a list of all such incidents including the date and station name and platform number that it occurred at).
  - class CAF MK4 Cork Sets trains (and please attach a list of all such incidents including the date and station name and platform number that it occurred at).
  - class De Dietrich Enterprise Sets trains (and please attach a list of all such incidents including the date and station name and platform number that it occurred at).

**Response:**

I, Ms. Joanne Whelan, Decision Maker have now made a final decision to grant your request on 12<sup>th</sup> May 2022. Please find response document and schedule of records attached.

**Rights of appeal**

In the event that you are not happy with this decision you can make an appeal in relation to this matter, you can do so by writing to the FOI Unit, Corporate Communications, Iarnród Éireann Irish Rail, Connolly Station, Amiens St, Dublin 1 or by e-mail to [foi@irishrail.ie](mailto:foi@irishrail.ie). You should make your appeal within 4 weeks (20 working days) from the date of this notification, where a day is defined as a working day excluding, the weekend and public holidays, however, the making of a late appeal may be permitted in appropriate circumstances.

The appeal will involve a complete reconsideration of the matter by a more senior member of the staff of this body.

Should you have any questions or concerns regarding the above, please contact the FOI Officer on [REDACTED] or by email at [foi@irishrail.ie](mailto:foi@irishrail.ie)

Yours sincerely,

PP 

**Ms. Joanne Whelan, FOI Decision Maker, Safety, Iarnród Éireann**
