Re: FOI request IE_FOI_573

I refer to your request dated 14th April 2022 made under the Freedom of Information Act 2014, which was received on by my office on the 19th April, for records held by Iarnród Éireann.

Request:

Copy of the following records: All government tenders issued by Irish Rail in the ten years period between 1st Jan 2011 and 1st Jan 2021. Specifically, I am looking for such tenders' records:

- The list of government tenders issued in the last ten years (from 1st Jan 2011 to 1st Jan 2021).
- The publication date each tender was issued and the response deadline for submitting the bids from interested suppliers.
- The category of each tender (e.g. construction, supply of equipment, technology etc.)
- The issuing authority/body/organisation, i.e. the buyer
- The winner of the tender (company/individual)
- The number of companies/individuals that applied for each tender
- The duration of each tender
- Was the tender for an individual supplier (one company) or a panel of suppliers (multiple companies)
- The estimated value of each tender
- The awarded value of each tender.
- Indication whether the winner was the incumbent provider of that product/service.
- The date the winner was announced
- Where relevant, the date the tender was cancelled
- The procedures of each tender (e.g. open procedure (OJEU).

Response:

I, Ms. Karen Conroy, Decision Maker have now made a final decision to part grant your request on 28th June 2022.

Please find response document and schedule of records attached.

You have sought access to the records by means of a list and I consider this an appropriate form of access in this case. Accordingly, a copy of the records is now enclosed.

Some information is held in hard copy files and while we have been able to retrieve some of this information there is still details not discovered in the attached document. I will continue this file and send a revision with any further information from the hard copy files.

The sections of the Act which can apply to deny access to documents are known as its exemption provisions.

In the records I have denied access to the award value in cases of a fixed price for the following reasons:

Section 36 1 (B) financial, commercial, scientific or technical or other information whose disclosure
could reasonably be expected to result in a material financial loss or gain to the person to whom the
information relates, or could prejudice the competitive position of that person in the conduct of his or
her profession or business or otherwise in his or her occupation.

Rights of appeal

In the event that you are not happy with this decision you can make an appeal in relation to this matter, you can do so by writing to the FOI Unit, Corporate Communications, Iarnród Éireann Irish Rail, Connolly Station, Amiens St, Dublin 1 or by e-mail to foi@irishrail.ie. You should make your appeal within 4 weeks (20 working days) from the date of this notification, where a day is defined as a working day excluding, the weekend and public holidays, however, the making of a late appeal may be permitted in appropriate circumstances.

The appeal will involve a complete reconsideration of the matter by a more senior member of the staff of this body.

Should you have any questions or concerns regarding the above, please contact the FOI Officer on or by email at foi@irishrail.ie

Yours sincerely,

PP F
