Re: FOI request IE_FOI_587

Dear ██████,

I refer to your request dated 30th May 2022 made under the Freedom of Information Act 2014, which was received on by my office on the 30th of May 2022, for records held by Iarnród Éireann.

Request:

a database/spreadsheet/record of all Irish Rail bridge strikes for 2019, 2020, and 2021. This record ideally to include the location, the date, a line description of what happened, and detail on whether services were affected and for how long

Response:

I, Mr. Peter Tuohy, Decision Maker have now made a final decision to Part Grant your request on 15th June 2022.

Please note that response Doc '02 Bridge strikes 100mins' this record records trains delays due to bridge strikes that exceed 100mins delays. Any delays under this timeframe are not recorded. Please find response documents and schedule of records below

Rights of appeal

In the event that you are not happy with this decision you can make an appeal in relation to this matter, you can do so by writing to the FOI Unit, Corporate Communications, Iarnród Éireann Irish Rail, Connolly Station, Amiens St, Dublin 1 or by e-mail to foi@irishrail.ie. You should make your appeal within 4 weeks (20 working days) from the date of this notification, where a day is defined as a working day excluding, the weekend and public holidays, however, the making of a late appeal may be permitted in appropriate circumstances.

The appeal will involve a complete reconsideration of the matter by a more senior member of the staff of this body.

Should you have any questions or concerns regarding the above, please contact the FOI Officer on ██████████ or by email at foi@irishrail.ie

Yours sincerely, , PP Mr. Peter Tuohy, FOI Decision Maker, IM Safety, Iarnród Éireann
