Iarnród Éireann Irish Rail	ALWAYS SAFE	**Reference No.**	Q3 2026
		Issue	1
		Operative Date	28/10/2026
Customer Safety and Security Report		**Status**	Live
		Prepared by	Joanne Whelan
		Checked by	Barry Kenny
		Approved by	Joe Sullivan

The issue of safety and security on our public transport services is one of keen interest to our customers, our employees, and the wider public.

While anti-social behaviour is a societal issue, and the overwhelming majority of journeys occur without incident, we must ensure that we are providing the safest possible travelling and working environment for customers and employees, respectively.

To bring greater transparency, clarity, and context to the issue of anti-social behaviour, we will now publish – on a quarterly basis – a safety and security report. This report will consist of:

- Our statistics on reportable (to the NTA) and non-reportable criminal and anti-social behaviour incidents per quarter
- A full schedule of incidents included in those statistics.
- Analysis of any notable trends within the statistics
- Overview of initiatives within each quarter to improve safety and security, including joint initiatives with An Garda Síochána and other agencies.

Reportable incidents per million journeys

	Q1 '25	Q2 '25	Q3 '25	Q4 '25	Q1 '26	Q2 '26	Q3 '26	Q4 '26
Pax journeys	11.125	12.256	12.309	19.348	11.779	13.489	13.674	
Reportable Criminal & ASB	372	404	409	508	378	444	395	
Reportable per million	33.44	32.96	33.23	26.26	32.09	32.92	28.89	

Note: IÉRU track all ASB incidents on our live AIMS system. All incidents are recorded and tracked by date of incident and not date of reporting. This can lead to differentials between figures in above table and figures previously reported. This is due to ongoing review of data that may lead to recategorisation, and reports received after the time of quarterly reports being published.

Services overview.

Passenger journeys are continuing to grow significantly, Q3 figures 2026 up almost 10% over same timeframe in 2025. Demand for all service modes – Intercity, DART and Commuter – are now exceeding previous record highs. Quarter 3 covers most of the busy summer period, and includes additional services for summer sporting events, concerts, festivals etc.

A fare determination by the National Transport Authority was implemented in April 2025, which saw fares changes in the Dublin Commuter Zone. This represented a combination of reductions and increases, dependent on fare zones.

Note on Reportable and non-reportable.

Given the subjective nature of some of the categories captured under the anti-social behaviour (ASB) report. we are required to create a 'category hierarchy' whereby we have reportable incidents for reporting to the NTA and non-reportable.

This is based on a form of harm test whereby if an incident is deemed to pose a risk of harm to our customers or staff alike it becomes reportable E.G, 'assault'(reportable) vs 'Boisterous behaviour'(non-reportable). We keep a record of all reported ASB so Iarnród Éireann Irish Rail can best analyse the data provided and ensure proactive and strategic measures are taken that can be guided by this report and executed across the network to reduce the incidence of ASB to ensure safety for our customers and our staff.

The statistical data will be presented in table form, distributed across the entire rail network, and divided per region as per regional map detailed in figure 1.

Criminal Offence & Antisocial Behaviour (NTA Reportable)

There have been 395 incidents recorded for Q3 2026. There have been 42 assaults with 9 assaults on employees. Theft of third-party property at 25 has decreased from 27 in Q3, 2025. Iarnród Eireann staff have jointly liaised with all An Garda Siochána investigations in which Formal surveillance from our assets has been forwarded promptly to same.

Iarnród Eireann staff and contracted security on board and at static station locations have advised customers via personal advice and through on boards public announcements (P.A) of vigilance regarding their personal belongings not to leave unattended. At present following Garda Investigations, with the support of Iarnród Eireann staff, Arrests have been made of Defendants that are subject of court proceedings along with bail conditions regarding the Thefts of customers properties.

Increased security patrols and detection, with additional resources seeing interventions at major terminus stations, has contributed to the increase in incidents recorded. A Surge Action Plan has partially commenced from December 2025 with increased Security teams on the Dart and Northern Lines. This increased presence has led as expected to more visibility and engagement on these lines. It has also resulted in increase in reporting of aggressive behaviours and interventions by security. We are working closely with Security Contractor to ensure targeted deployment and increased visibility and proactive patrols. IÉ Enforcement and Compliance Manager is working closely with all stakeholders in particular An Garda Síochána to maximise the benefit of Joint Operations in giving reassurance to the travelling public. With the full implementation of the surge Action Plan coming to fruition later this year enhanced safety and indeed perception of safety is expected.

Drugs, Alcohol & Smoking related incidents.

Of 410 incidents in this category, the Northern and DART district has the highest number with 139 (Northern) and 126 (DART) recorded.

Trespass

There have been 174 incidents of trespass (reportable) for Q3 2026, up from 124 in Q3 2025. Reviews of new data and trends of trespassing Hotspots along with coordinated responses/ enforcement and educational/social media programmes with public and community stakeholders been envisaged to reach the targeted audiences.

Iarnród Éireann Security Strategy Q3 2026 update

Planning meetings took place throughout quarter 3 with An Garda Síochána and the Department of Justice to reduce the incidents of antisocial behaviour by transition year students travelling to and from the national ploughing championship by public transport which has increased over the past number of years raising safety concerns. As a result of the engagement by An Garda Síochána, and Department of Justice with schools, the incidents of crime & ASB was significantly reduced on 15, 16 & 17 September this year.

Meetings took place with AGS strategic and tactual command unit to provide familiarisation training for garda armed response unit criminal response units responding to responding to such incidents on the rail network.

Planning for the UIC world security congress for rail networks which is being hosted by IE in the 4th quarter 2026 and will raises awareness of crime, and antisocial behaviour, major treats and cyber security across rail network worldwide.
