

 Iarnród Éireann Irish Rail	ALWAYS SAFE 	Reference No.	Q1 2025
		Issue	1
Customer Safety and Security Report		Operative Date	07/04/2025
		Status	Live
		Prepared by	Joanne Whelan
		Checked by	Joe Sullivan
		Approved by	Billy Gilpin

The issue of safety and security on our public transport services is one of keen interest to our customers, our employees, and the wider public.

While anti-social behaviour is a societal issue, and the overwhelming majority of journeys occur without incident, we must ensure that we are providing the safest possible travelling and working environment for customers and employees, respectively.

To bring greater transparency, clarity, and context to the issue of anti-social behaviour, we will now publish – on a quarterly basis – a safety and security report. This report will consist of:

- Our statistics on reportable (to the NTA) and non-reportable criminal and anti-social behaviour incidents per quarter
- A full schedule of incidents included in those statistics.
- Analysis of any notable trends within the statistics
- Overview of initiatives within each quarter to improve safety and security, including joint initiatives with An Garda Síochána and other agencies.

Reportable incidents per million journeys

	Q1 '24	Q2 '24	Q3 '24	Q4 '24	Q1 '25
Pax journeys	10.802m	11.438m	11.692	16.675	11.125
Reportable Criminal & ASB	301	344	412	463	367
Reportable per million	27.87	30.08	35.24	27.77	32.90

****Note: IÉRU track all ASB incidents on our live AIMS system. All incidents are recorded and tracked by date of incident and not date of reporting. This can lead to differentials between figures in above table and figures previously reported. This is due to ongoing review of data that may lead to recategorisation, and reports received after the time of quarterly reports being published.**

Services overview.

Passenger journeys on the Iarnród Éireann continued their ongoing growth, increasing by 3% overall year on year for Quarter1. Underlying growth is believed to be stronger than this, as rail services were affected for a number of days by disruptive storms including a nationwide closure for Storm Éowyn.

Iarnród Éireann introduced further timetable frequency increases in late August 2024, with Galway, Waterford and Cork Commuter services expanding. Additional Belfast services followed in October. Intercity in particular has seen strong growth, well exceeding previous pre-COVID records, with DART and Commuter approaching their previous record highs.

Note on Reportable and non-reportable.

Given the subjective nature of some of the categories captured under the anti-social behaviour (ASB) report, we are required to create a 'category hierarchy' whereby we have reportable incidents for reporting to the NTA and non-reportable.

This is based on a form of harm test whereby if an incident is deemed to pose a risk of harm to our customers or staff alike it becomes reportable E.G, 'assault'(reportable) vs 'Boisterous behaviour'(non-reportable). we keep a record of all reported ASB so Iarnród Éireann Irish Rail can best analyse the data provided and ensure proactive and strategic measures are taken that can be guided by this report and executed across the network to reduce the incidence of ASB to ensure safety for our customers and our staff.

The statistical data will be presented in table form, distributed across the entire rail network, and divided per region as per regional map detailed in figure 1.

Criminal Offence & Antisocial Behaviour (NTA Reportable)

There have been 367 incidents recorded for Q1 2024. There have been 28 assaults with 5 assaults on employees. Theft of third-party property at 20 has increased from Q1, 2024. Increased security patrols and detection, with additional resources seeing interventions at major terminus stations, has contributed to the increase in incidents recorded. A new monitoring group has been put in place, led by Iarnród Éireann's Chief Security Office and proactive liaison with a dozen Rapid Garda Response Hubs have been established around the Intercity network in the event of passenger issues escalating. These Hubs, in conjunction with the Security Control Room for the DART and Commuter area, allow Iarnród Éireann colleagues to liaise directly with An Garda Síochána to address incidents of antisocial behaviour.

Drugs, Alcohol & Smoking related incidents.

Of 464 incidents in this category, the Northern and DART district has the highest number with 184 (Northern) and 162 (DART) recorded.

Trespass

There have been 129 incidents of trespass (reportable) for Q1 2025, up from 102 in Q1 2024. Reviews of new data and trends of trespassing Hotspots along with coordinated responses/ enforcement and educational/social media programmes with public and community stakeholders been envisaged to reach the targeted audiences.

Iarnród Éireann Security Strategy Q1 2025 update

There are now twenty (20) Garda Response Hubs in operation across the Iarnród Éireann network and their establishment has had a significant impact in crime and Antisocial behaviour interventions and reducing delays time to services. There are another six (6) Garda Response Hubs proposed.

There are four (4) public transport interchange hubs across the greater Dublin area with Bray being the most recent. AGS chair these meetings with relevant transport providers serving these hubs.

The new Garda operating model "Community Engagement Areas" is supporting the Iarnród Éireann customer experience. Garda inspectors have been appointed in Garda Divisions to liaise with IÉ CX Managers to plan high visibility operations and days of actions.

Bi-Monthly IÉ/Garda Stakeholder meetings are taking place across each CX District. A programme to improve the public's perception of safety (Broken Window Syndrome) is underway at high-risk locations, initially to improve lighting monitoring of CCTV, criminal damage de-facing and remove Dark spaces. (CPTED (CRIME PREVENTION THROUGH ENVIRONMENTAL DESIGN))
