Customer Safety and Security Report		Operative Date	10/08/2023
		Status	Live
		Prepared by	Joanne Whelan
		Checked by	Joe Sullivan
		Approved by	Billy Gilpin

The issue of safety and security on our public transport services is one of keen interest to our customers, our employees, and the wider public.

While anti-social behaviour is a societal issue, and the overwhelming majority of journeys occur without incident, we must ensure that we are providing the safest possible travelling and working environment for customers and employees respectively.

To bring greater transparency, clarity, and context to the issue of anti-social behaviour, we will now publish – on a quarterly basis – a safety and security report. This report will consist of:

- Our statistics on reportable (to the NTA) and non-reportable criminal and anti-social behaviour incidents per quarter
- A full schedule of incidents included in those statistics
- Analysis of any notable trends within the statistics
- Overview of initiatives within each quarter to improve safety and security, including joint initiatives with An Garda Síochána and other agencies

Note on Reportable and non-reportable

Given the subjective nature of some of the categories captured under the anti-social behaviour (ASB) report, we are required to create a 'category hierarchy' whereby we have reportable incidents for reporting to the NTA and non-reportable.

This is based on a form of harm test whereby if an incident is deemed to pose a risk of harm to our customers or staff alike it becomes reportable E.G, 'assault'(reportable) vs 'Boisterous behaviour'(non-reportable). we keep a record of all reported ASB so Iarnród Éireann Irish Rail can best analyse the data provided and ensure proactive and strategic measures are taken that can be guided by this report and executed across the network to reduce the incidence of ASB to ensure safety for our customers and our staff.

The statistical data will be presented in table form, distributed across the entire rail network, and divided per region as per regional map detailed in figure 1.

Services overview

Passenger journeys on the Iarnród Éireann continued their strong recovery in Q2 2023, increasing by over 35% against Q2 2022 (up from 7.69 million to 10.44 million).

Additional services were scheduled on a number of routes at the end of 2022 included Newbridge to Heuston, Hazelhatch to Grand Canal Dock, West of Ireland routes and others. In May 2023, an additional daily Dublin to Gorey service in each direction was introduced, and from June 2023, two additional daily Dublin to Belfast services in each direction were introduced, for summer only.

Criminal Offence & Antisocial Behaviour (NTA Reportable)

There has been 272 incidents recorded for Q2 2023. There have been 24 assaults with 5 assaults on employees, an increase on 2022. Theft of third-party property at 24 has increased, the highest incidence of these thefts being in the Northern (15) & Mainline (5) districts.

Drugs, Alcohol & Smoking related incidents

Of 360 total incidents in this category, the DART district has the highest number with 211 recorded.

Trespass

There has been 165 incidents of trespass (reportable) for Q2 2023, up from 152 in 2022. The increase was attributable to the Limerick District, with a site-specific issue relating to illegal occupation of an adjacent property. This has ceased in Q3, and a reduction is anticipated. Reviews of new data and trends of trespassing Hotspots along with coordinated responses/ enforcement and educational/social media programmes with public and community stakeholders been envisaged to reach the targeted audiences.

Iarnród Éireann Security Strategy 2021 – 2023, Q2 2023 update

The overall increase in incidents in Q2 2023 has three significant causal factors:

- Warm weather seeing large groups travel to coastal locations, with a small minority engaging in ASB, along with a wide range of concerts and sporting events which saw issues such as intoxication increase
- Increased detection, with additional resources seeing interventions at major terminus stations in particular

- A criminal group purporting to “fundraise” through tissue selling on board. We have addressed these reported incidents by preventing persons from boarding or loitering, enforcement of breach of Byelaws and directing security teams to intervene accordingly.

The network does not exist in isolation, and in the DART and Northern District, the category of fighting /passenger disturbance has increased in which reported incidents have occurred in some public spaces that spill over to our network. Terminal and main intersection Iarnród Éireann stations have had contracted security that have intervened and defused conflict situations between persons and groups. In some occurrences assistance and follow up when requested from An Garda Síochána has been responded to.

Ongoing prevention activities have included:

- Significantly increased our security presence, with security resources up 60% in the past six years
- Established ongoing proactive joint patrols with the Gardaí, particularly on DART, Heuston Commuter, and the Cork route
- Enhanced joint protocols with Gardaí both nationally and locally. This has included the establishment of rapid response support hubs in twelve locations for Intercity services, with staff having direct lines to Gardaí for incident support. This has increased from 10 at year end 2022,

with a further 4 locations being examined at present.

- Established a dedicated security monitoring centre for the Greater Dublin Area, with station CCTV monitoring, staffed at all times of rail operations
- Three Public Transport Hubs have been established for Heuston Plaza, Connolly Plaza, and Broombridge, Cabra. This is a Joint initiative between public transport providers Iarnród Éireann/Transdev (LUAS)/Dublin Bus/Bus Éireann and An Garda Síochána Community Engagement Units at Kevin Street, Store Street and Cabra.
- Proactive Garda / IÉ operations for specific events, such as concerts / sporting events, events etc
- DART text alert line established for discrete reporting of ASB incidents
- Customer Service Officer role expansion on Intercity ensures point of contact for customers to raise issues, and to escalate to Central Control / Gardaí – recruitment for the final phase of their introduction is underway.
