Re: FOI Request Response [IE_FOI_162]

Dear [REDACTED],

I refer to your request dated 20th May 2018 made under the Freedom of Information Act 2014, which was received on 21st May for records held by Iarnród Éireann your request sought:

All relevant documentation relating to:

I wish to request the number of tickets refunded by Irish Rail in 2017 and so far in 2018 due to trains being delayed by over two hours, broken down into the number of tickets refunded per service/route.

I, Paul Slowey, have now made a final decision to grant your request on 11th June 2018.

You have sought access to the records as listed above and I consider this an appropriate form of access in this case. Accordingly, a copy of the records is now attached including a copy of the schedule to these records.

Rights of appeal

In the event that you are not happy with this decision you can make an appeal in relation to this matter, you can do so by writing to the FOI Unit, Corporate Communications, Iarnród Éireann Irish Rail, Connolly Station, Amiens St, Dublin 1 or by e-mail to foi@irishrail.ie. You should make your appeal within 4 weeks (20 working days) from the date of this notification, where a day is defined as a working day excluding, the weekend and public holidays, however, the making of a late appeal may be permitted in appropriate circumstances. The appeal will involve a complete reconsideration of the matter by a more senior member of the staff of this body.

Should you have any questions or concerns regarding the above, please contact the FOI Officer on 01, 7034293.

Yours sincerely,

Ms. Lynette O'Toole

Freedom of Information / Data Protection Executive
